## BIO

ATMUS

Good Music & Good Vibes.

ATMUS or say Artist That Make U Smile. As the name stands for, ATMUS music was always about creating happy vibes and making people dance. There are no genre barricades. His music taste varies from Deep House to Club Hitting trap. With a Touch of commercial hits and a sprinkle of Samples from Movies & Tv shows, he is known to play distinctively unique sets.

As a producer he likes to collaborate and experiment with his sound, which is clearly seen in his debut EP '**FLUTTER**'. His sound varies from soulful vibes tracks Like **Warfare with Ratnang** to more club oriented like **Never let you go with Chezin**.

ATMUS Started his music journey by joining I Love Music Academy and then Residencing at venues like The Vault Cafe, QBA & more. He worked as an audio engineer at Delhi's one of the finest studio '**FERRIS WHEEL STUDIOS**'. He also have experience of playing at venues like Kitty su, Pkay, Birdie num num & more and is always looking forward to rock new venues and new crowd.
